15. The Plaintiff is informant and believes, and therefore alleges that the Premises has begun operations and/or undergone substantial remodeling, repairs and/or alterations since January 26, 1990.

16. Defendants have discriminated, and continue to discriminate, against the Plaintiff and others that are similarly situated, by denying full and equal access to and full and equal

Enjoyment

ent of goods, services, facilities, privileges, advantages, and/or accommodations at Defendants' Premises, in violation of these Accessibility Standards.

17. The Plaintiff has been unable to, and continues to be unable to, enjoy full and equal safe access to, and the benefits of, all the accommodations and services offered at Defendants' Premises.

This barrier represents an insurmountable barrier to independent entry by the Plaintiff and other individuals who use wheelchairs.

throughout the Premises.

g. Failure to provide signage addressing people with disabilities informing them that accessible services are provided.

21. Upon information and belief, there are other current violations of, inter alia, the ADA at Defendants' Premises, and only once a full inspection is done can all said violations be identified.

22. To date, the barriers and other violations of the ADA still exist and have not been remedied or altered in such a way as to effectuate compliance with the provisions of the ADA.

23. Pursuant to ADA, 42 U.S.C. §1201 et. Seq. and the Accessibility Standards, the Defendants were required to make the Premises, a place of public accommodation, accessible to a person with disabilities since January 28, 1992. To date, the Defendants have failed to comply with this mandate.
